This wonderfully presented, architect designed family home has four double bedrooms, including two with built-ins and the main incorporating a private ensuite. You will be pleasantly surprised by the well considered and maintained open plan lounge and dining rooms, perfect for dinner parties, etc. The residence has been majestically renovated recently, including a brand new gourmet kitchen with SMEG appliances, caesarstone benchtops, gas oven/stove and oversized pantry. Other unmissable additions are the spectacular bathrooms restored to suit everyone's tastes. This property is deceptively large, set on a 869sqm flat block which is extremely rare to find in this highly coveted area. You will spend many a summer night enjoying the sun soaked rear garden that the casual living room leads out to through floor to ceiling glass bi-fold doors. The patio has been designed with your best interests in mind and of course, the saltwater in-ground pool will get plenty of use and compliments the impressive outdoor space to a tee! The large L-shaped verandah at the front of property takes advantage of this bright and airy home. Views, as do many of the splendid bay windows of this bright and airy home. The location is non-parallel! Its close to great schools, local shops, cafes, parks and beaches. Council rates: \$448 per quarter Water rates: \$156 per quarter
